This is recipe from my friend Mena, check her profile to get the best carrot cake recipe ever. Gather you ingredients ..

2

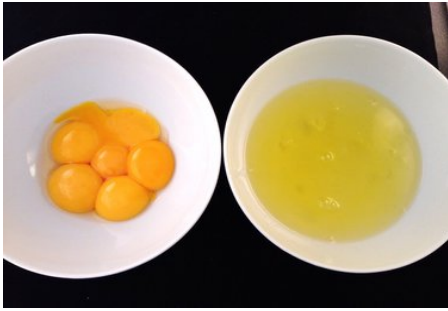

Mix at low speed until you get a kind of a crumble.

2

Mix flour, butter and salt in a mixer bowl.

2

Separate the egg whites from the yolks.

2

Mix the the icing sugar yolks and vanilla with a whisk.

2

and add the yolk mix to the flour mix.

2

Turn on the mixer and make the dough until it becomes all together.

2

Refrigerate until the pastry get a bit hard and it's easy to roll.

2

Roll the pastry as thin as you wish between parchment paper and put into the cake tin or similar.
